

# **Digital Media Developers Group December 1, 2005 Meeting Notes**

## ***Old Business***

### **ITAB report: Bobbie Sue Koelling**

OA is facing a \$7 million budget cut and 30 FTEs. Most of these FTEs will be lost through attrition.

IT consolidation is proceeding.

Paul Wright is the new ITAB vice-chair.

### **Web Guidelines: Kevin Lanahan**

The guidelines are on the DMD site in PDF format.

## ***New Business***

### **Brown University Study: Ron Thomas and Lynn McKee**

Missouri has slipped again in the Brown University study, down to 40<sup>th</sup> place. The ranking is cause for concern that we may not be serving the citizens of Missouri as well as we could.

A group of DMD members will meet in January to discuss what parts of the study are relevant to Missouri, how we can identify areas to improve services and how we can get new services into production faster.

## ***Agency Projects/ Open Discussion***

The state.mo.us domain names will be retired for all public servers. It will still be used for intranet servers.

Secretary of State will launch a new site tomorrow.

Conservation is launching a podcast, which is just a RSS feed with audio.

Insurance is looking for advice on implementing Contribute.

The next meeting is Thursday, January 5, 2006 at 1:30 in Room 500 HST.
